# THE ROSE.

*Containing Portraits of the principal varieties of the choicest Perpetuals,  
With Plain Instructions for their Cultivation.*

BY

HENRY CURTIS.

*Went of England, Barrister, Bristol*

VOL. I.

*How glorious! How's even, the very youth arrayed;  
Or clad in velvet white, or crimson's deepening shade,  
We hail thee first in rank, amidst the glittering throng,  
And give thee Beauty's name; for honest 'as well as young  
"Honest! Goodness!" W. H. Hughes*
